

exclusive adventure

For those with adventure spirit UNFORGETABLE tour with 4x4 jeep safari to The MILENIUM CROSS <<<<

>>>>For the occasion of 2000 years from birth of Jesus Christ, on the peak of the mountain Vodno, on the altitude of 1066m the Milenium cross was built. The cross is placed on concrete platform held by 12 pillars as symbol of 12 apostles. With four big pillars symbolized 4 evangelists. On the top of them 66 meter steel construction is divided into 33 parts – symbolizing 33 years of the life of Jesus. By the night the cross is lit up by 650 light bulbs which make it visible in radius of 40 km.<<<<

Program: Tour begins from hotel we will climb up to the top of mountain Vodno and Milenium cross, tour continue driving on mountain edge to the old military bunker. We will also visit beautiful St Marko monastery. Return to your hotel in the afternoon.
